

**STRUCTURAL PROTECTION & REHAB CO.**

---

## **The Company**

“Structural Protection & Rehab Co & its sister concern “Structural Protection and Waterproofing Co”. are established source for complete service in areas of Waterproofing, Thermal Insulation, Sound Insulation and Structural Protection & Rehabilitation. The professionals who run this company have years of experience in the relevant areas. In the short period that it has come into existence the company has already logged an impressive list of successfully commissioned projects for a large number of high profile clients.

## **Our Values**

We at SPARC have set our sights at being a company that will lead others in the industry in adherence to the tenets of Service, Commitment and Quality.

Customer Satisfaction has been and will remain the sole parameter of success to us. As regards quality we brook no comparison, no compromise.

SPARC guarantees its work-manship; a confidence that comes with the emphasis it has always placed on quality. Proven installation procedures are followed every time to attain strict adherence to standards and specifications as laid down by the client.

At SPARC we believe in doing things right the first time. No job is too big. No job too small. Every job is meticulously handled from inception to completion by a highly skilled technical team.

**STRUCTURAL PROTECTION & REHAB CO.**

---

## **Services Provided**

A comprehensive list of the services offered including the old and the new technologies is as under

**Structural Rehabilitation including Strengthening by way of Guniting/ Short-Creting etc.**
